FAQ

May 24, 2015 Related to: List of anti-malware product removal tools Hello, I would like to remove all the third party, AntiVirus or alike software programs from my.. Click Start and type msconfig into the search box or press Win key+R to show the Run dialog and type msconfig.. With the System Configuration (msconfig) window open, go to the Services tab and put a tick in the “Hide all Microsoft services” box at the bottom left before hitting Disable all.. As a lot of software installs system services you need to disable them too and letting Windows.
